

# Clinic social story

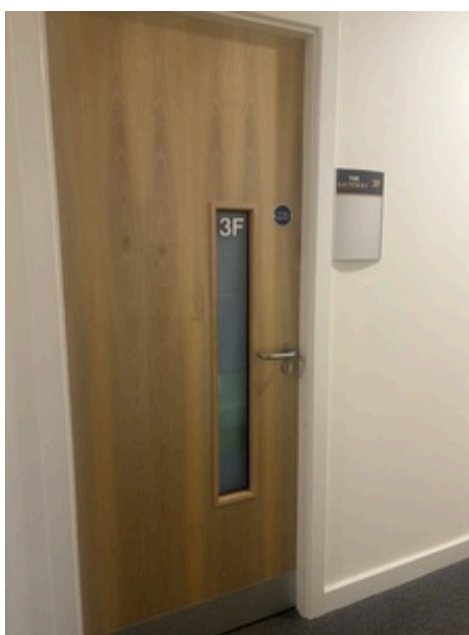

I am going to my first session at The Yorkshire Speechie.

I will go to the building, and we will ring the doorbell.

A lady called Daisy will greet me,.

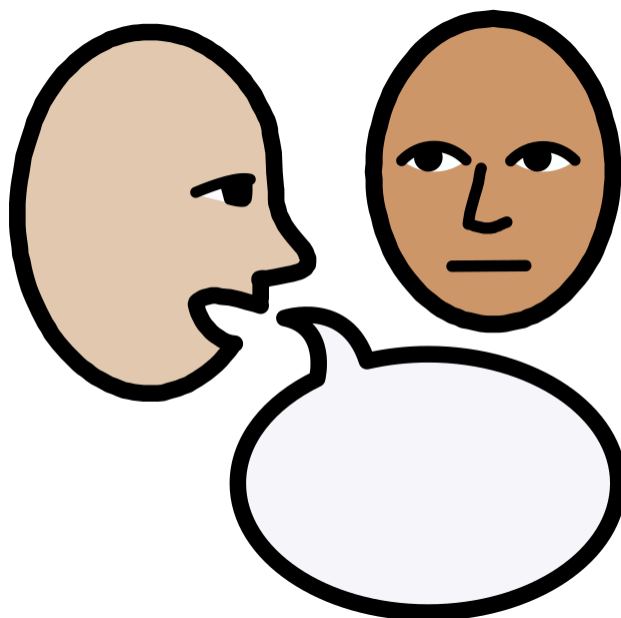

We will go to the therapy room.

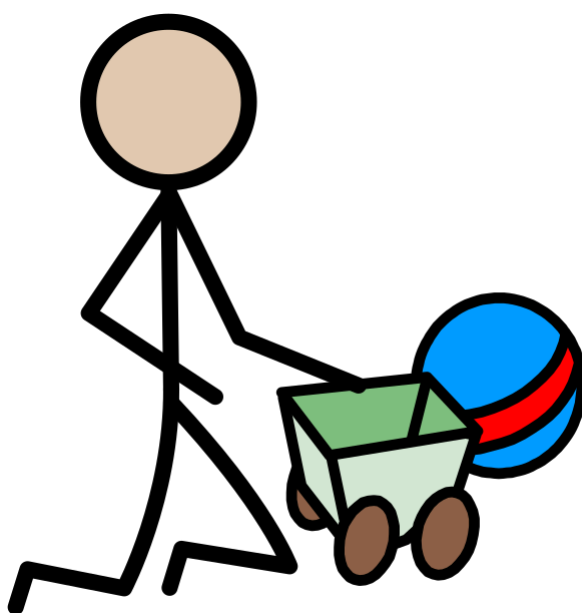

There are lots of toys to play with.

The toys might be exciting

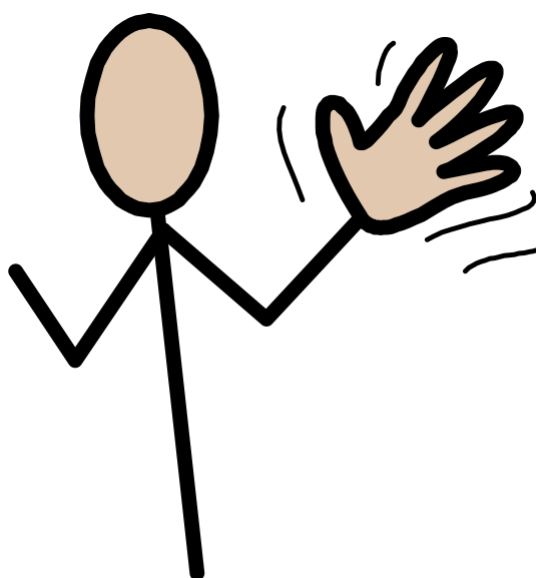

Daisy will talk to my mum, while I play.

Daisy will play with me

It might feel a little scary.  
But my parent will be there.  
I am safe.

When we are finished, Daisy will say goodbye.  
I did it.
