

# Clinic social story

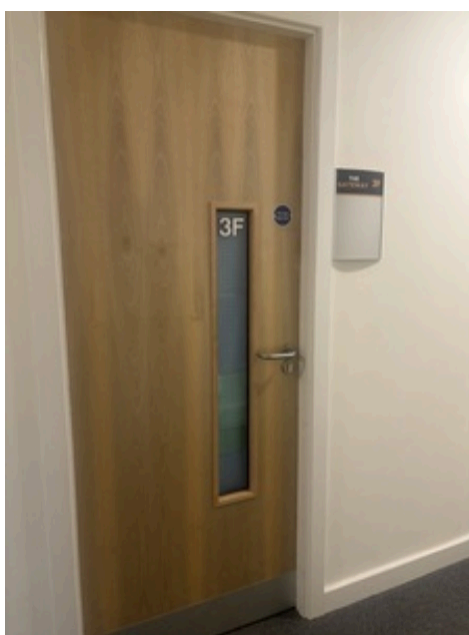

I am going to my first session at The Yorkshire Speechie.

I will go to the building, and we will ring the doorbell.

A lady called Steph will greet me,.

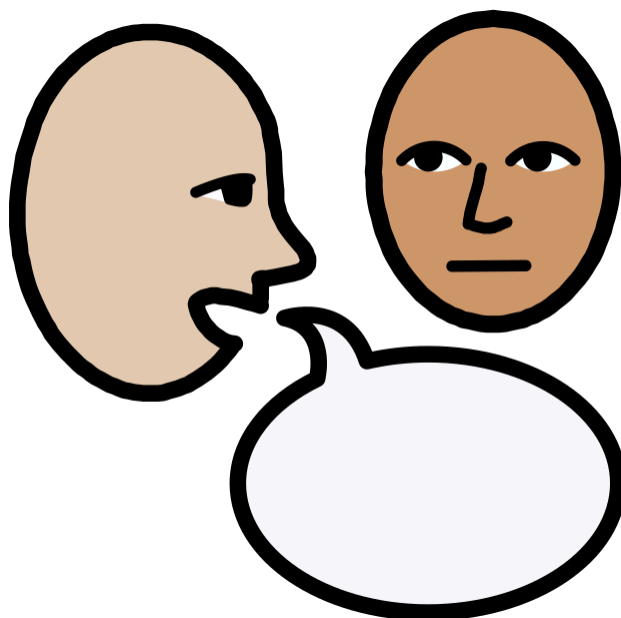

We will go to the therapy room.

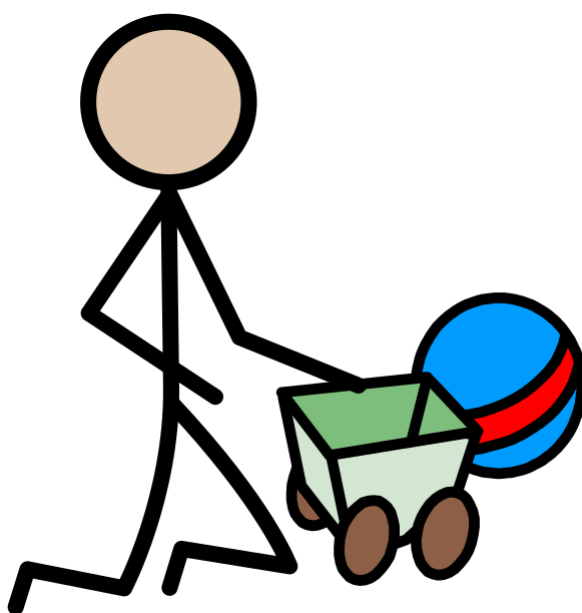

There are lots of toys to play with.

The toys might be exciting

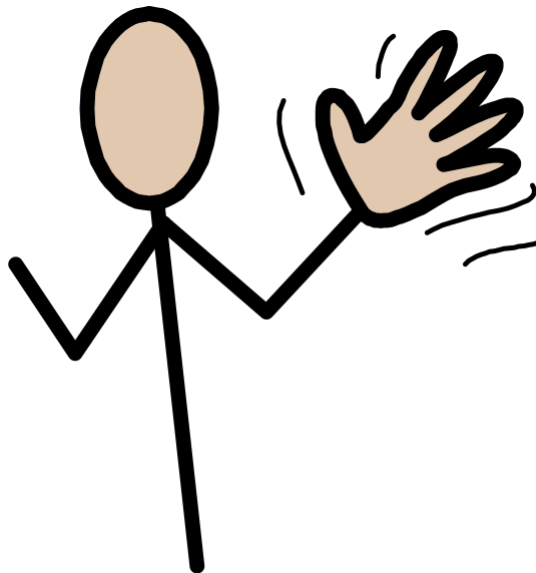

Steph will talk to my mum, while I play.

Steph will play with me

It might feel a little scary.  
But my mum will be there.  
I am safe.

When we are finished, Steph will say goodbye.  
I did it.
